To

The Chairman,
Central Recruitment Board,
Bangalore

Respected Sir,

I the undersigned beg to bring the following few lines to your kind consideration and favourable orders.

In the year 1935 I applied for inclusion of my name in the list of subordinate services and in response to my request my name was included among Middle School Teachers Class II under the unit of District Education Officer, Hassan District, as Serial Number 22. As per revised list the above number was changed to 16. Since 1935 I am waiting for an appointment in the Education Department Now I learn that I have to wait for some years to come to get my turn in the Department. Thus, I am unemployed and find it very difficult to maintain my family in these hard days.

I have finished the Junior Intermediate Course and I have got a fair knowledge of Typing. I have worked as Clerk in the Education Department for about ten months, and as Accounts Clerk at the Basavangudi Co-Operative Society, Ltd., and the Bangalore Central Co-Operative Bank, Ltd., for about four years. Thus I have gained experience in office routines.

I humbly request you to kindly transfer my name from the Educational Department to any other Department where I can get a chance very early. I humbly request you to kindly transfer my name to the list of clerks Class II in the Unit of Chief Electrical Engineer where, I understand, there is some chance of getting an appointment very early. For this act of kindness, I shall ever remain grateful.

Bangalore City,
30th March 1942.

I beg to remain,
Sir,
